RULES

1. Only colorfast fabrics that have been pre-shrunk are to be used in the quilts entered in the contest. Any fabric used should be no more than 50 percent synthetic fiber, including backing, except for crazy quilts. A quilt must consist of three layers: a backing, a batting and a top. *Note rule 9 for machine quilted.*
2. Double knits may not be used. No pre-printed quilt cloth (cheater cloth) may be used. Quilter's ink WILL be acceptable.
3. Quilt may be made either by an individual or by a group of quilters.
4. **Manufactured quilts will not be accepted.**
5. Quilts may not be entered in this contest more than one time.
6. Maximum size permitted: 108" x 108". Smaller quilts and wall hangings will be accepted (see rule 10 for wall hanging division size requirements). When measuring quilts, a metal tape measure should be used.
7. Quilts must be **clean and in good condition**. Soiled or stained quilts will be rejected.
8. Each quilt entry must have a 4 in. finished double casing sewn in across the full width of the back of the top edge for hanging on a rod in the display. This is called the sleeve. This sleeve needs to be stitched on the top and bottom. See directions on the following page.
9. A label must be sewn on the back of each quilt. The label must be embroidered, typed, or written with a fabric pen on muslin. DO NOT use ballpoint pen. Label must include the name of the quilt, quilt owner's name and the county name for Area Go Texan contestants or area name for Houston Metro contestants.
10. Quilts may be appliquéd, pieced or any combination of quilting techniques. Quilting and piecing of the quilt may be done by machine or hand. Machine quilted and each block must be 2/3 quilted (but no quilting through appliqué design).
11. There are 10 divisions in the quilt contest: Five under MACHINE QUILTING - appliquéd, piecwork, pictorial (theme quilt), wall hanging (minimum size is 18" x 18"; maximum size is 60" x 60") and mixed media which includes any technique not covered in other specific categories and five under HAND QUILTING – appliquéd, piece work, pictorial (theme quilt), wall hanging (minimum size is 18" x 18"; maximum size is 60" x 60") and mixed media which includes any technique not covered in other specific categories.
12. Quilts must be enclosed in a **sturdy, large, clear, appropriately sized** blanket bag with a working zipper and **preferably without wire support - wire is hard to pack and/or could break and damage the quilt.** Also, it may not be a pillow case or anything that doesn't close and/or protect the quilt. The bag must be in good condition. **Quilts not submitted for entry in such a bag will be subject to a \$5 fee for the provision of this bag.**

The original entry form along with two copies of the entry form, a total of three color photos (4x6) and the \$25 entry fee must accompany the quilt. Photo must be labeled with owner's name, address, ZIP code plus four-digit code, telephone number and the name of the county or area the quilt represents. Quilt may be in progress and not finished in photo. **Quilts turned in without photograph will be charged a \$5 fee for each picture to be made the day of check-in.**

RETURN POLICY

Quilt will be mailed the week after the close of the Show to the person designated on the shipping form. The Show will mail back the quilt by FedEx, insuring it for \$500 with a signature required upon delivery. No P.O. Boxes will be allowed – only physical addresses. A business address is preferable. **If delivery attempts fail and the quilt is returned to the Show offices, arrangements must be made for pick up.** The Houston Livestock Show and Rodeo will assume no liability.

SLEEVE / CASING INSTRUCTIONS

A sleeve or casing is the most practical way to prepare a quilt for hanging without damaging the quilt in any way. It is perhaps the simplest and most effective method because a rod can be inserted and suspended between standards. To make a sleeve or casing:

- A. **Cut a strip 9" wide and 1" longer than the top of your quilt. Finish the ends by turning the raw edges of each end toward the wrong side approximately 1/4"; then turn under again stitching in place by hand or machine.**
- B. Fold the strip in half, lengthwise, right sides together and stitch, using 1/2" seam allowance.
- C. Press the sleeve so that the seam is centered on the back of the sleeve.
- D. The sleeve is stitched to the back of the quilt with the seam to the outside lessening abrasion to the quilt and ensuring a flat surface next to the quilt while it hangs.
- E. Hand-stitch the sleeve across the top backside of the quilt. Place the sleeve just under the binding (or approximately 1/2" from the top edge of the quilt). Stitch through ALL layers, using 1/4" stitches on the front of the quilt and 1/2" to 3/4" stitches on the backside. The stitches should go through all layers of the quilt so there will be less strain on the quilt. The 1/4" stitches on the front will not show, or will show so little that they will not be seen from exhibiting distance, especially if you use a neutral or coordinating thread color.
- F. Begin stitching in the center of the quilt and work out to one side. Repeat from the center out to the other side. Repeat for the bottom edge of the sleeve/casing.
